

USB 2.0 Pocket Hard Drives

2.5GB

Hundreds of business files
42 hours of digital music
800 digital photos
2.5 hours of digital video

5.0GB

Thousands of business files
83 hours of digital music
1600 digital photos
5 hours of digital video

The stylishly clever way to carry and share business files, music, photos and video.

This elegantly-designed, palm-sized drive is small enough to fit in your pocket. It safely stores large amounts of data and you can even password-protect* your files.

- Never worry about your data. This extremely durable pocket drive is designed with unique shock absorbers.
- Built-in, retractable USB 2.0 cable is always available when you need it, protected in the sleek, round shell when you don't.
- Just plug this drive into your computer's USB 2.0 port and go. You don't need a power supply.
- Hot-swappable, so you can connect and disconnect without turning off your computer.
- 3600-RPM drive with 2-Mbyte cache consistently delivers the high performance you need.
- Works with your PC and Mac.

Seagate is the world's largest manufacturer of disc drives.

*Windows only.

USB 2.0 Pocket Hard Drives

**Small size, large capacity,
high performance.**

Perfect for your on-the-go lifestyle

Wherever you're heading, this drive is the convenient way to bring along everything from essential business files to photos, music and even video.

Blazingly fast, amazingly easy

Hot-pluggable USB 2.0 interface enables data transfer up to 480 Mbps. You can store and work with all your data quickly and easily.

Password protection for your files

Included utility software lets you password-protect your data with our unique Secure Zone feature (Windows only). You can also manage partitions, set write protection, and view and manage drive content.

Worry-free, one-year warranty

Full guarantee covers all parts and labor.

Free tech support

Rely on Seagate for friendly, free technical advice even after your warranty ends.
